

Seeding Futures

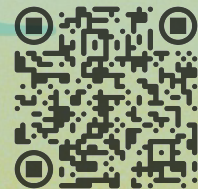

Connecting Feminist Political Ecology and Agroecology

Join us for this two-day webinar on how the interconnected spheres of FPE and agroecology can inform each other. We will bring together scholars and activists working on agrarian transformations through a feminist approach from India and other geographical contexts to share and learn across different locations and experiences.

Wednesday 20th - Thursday 21st of November 2024

Timings per day
13.00-16.30 CET
